Restore hope and wholeness to the sick and give courage and stamina to caregivers in every setting-- hospitals, nursing homes, doctor offices, home health workers, and those in hospice. We beg you to bring an end not only to this disease, but to the fear and strife left in its wake.

PROTECTION OF CHILDREN--The Diocese of Jackson is committed to ensuring that children served by the church are not at risk of sexual abuse by the Church personnel. Diocesan policies and procedures currently in place seek to protect, enhance and, in some cases, restore the trust that our faith calls for between agents of the Church and the children and adolescents entrusted to our care. In accordance with the Charter for the Protection of Children and Young People passed by the U.S. bishops in Dallas, the Diocese of Jackson wishes to encourage any victim of sexual abuse by a member of the Catholic Clergy to come forward and begin the healing process. *We encourage any victim to contact Ms. Erika Rojas, Victims Assistance Coordinator at 601-326-3760.*
